A world cruise is not only about the places you visit, it's also about the quality of the ship, the service you receive on board, and making new friends as you enjoy the experience of a lifetime. The choices on board these three fabulous P&O ships gives you ample opportunity to try out new things, perhaps discover a new hobby, take up golf, ballroom dancing, bridge or deck quizzes. You may prefer to just sit in the sun with a cool drink and a good book from the extensive library and keep watch for dolphins and whales! On all of these voyages you will see more countries than most people do in a lifetime. What better way could there be to achieve this ambition, and escape the winter months by chasing the sun around the world! Many of our staff have experience of these ships - we are personal travel agents with one consultant dealing with your special holiday from the day you book until the day you sail. Just £750 per person secures your stateroom, so call us today on (01202) 765406. We are open seven days a week.
