**Fly to Rome, sail for seven nights on *Royal Clipper*, stay two nights in Rome and Venice, Venice Simplon-Orient Express home.**

**Departing 26th May 2012 - 12 nights from £3999 per person.**

### ABOUT ROYAL CLIPPER

With her complement of 42 sails, the 5000 ton *Royal Clipper* is the only five-masted sailing ship to be registered at Lloyds since the beginning of the last century. She is truly graceful and flies along the waves just like her predecessors, the legendary clippers of a century and a half ago. Computers have not replaced the skilled hands of the crew in the art of raising sails however her guests are not expected to become barefoot seamen!

At 439 feet long and carrying just 227 guests, *Royal Clipper* offers the ultimate sea-going experience, balancing the adventure and tradition of sailing with the superb service and amenities of this finest of modern yachts.

She has enormous wide open deck space, three swimming pools, a three deck atrium, and an elegant dining room that operates open seating so you can dine when and with whom you want. There is a unique spa and health club with underwater glass portholes, a marina platform that lowers from the stern for watersports and a passengers 'crow's nest' if you feel inclined to climb the mast (safety harness is provided!)

All of *Royal Clippers* cabins have marble bathrooms, air conditioning, direct dial telephones, televisions, DVD players, hairdryer and safe. All are non-smoking.

This unique holiday starts with a flight to Rome to join *Royal Clipper* in Civitavecchia. Nothing can prepare you for the pulse quickening you will feel as the Captain gives the order to unfurl the sails, as you stand on the deck of the largest and most spectacular sailing ship in the world as she heads off for a seven night sailing experience to sun drenched Sicily and the ever romantic Amalfi Coast.

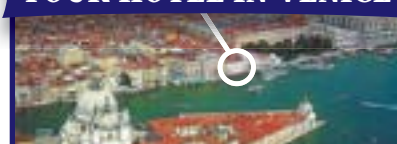

Following your cruise you will transfer to the **Grand Hotel Flora** in Rome for a two night stay giving you plenty of time to explore before taking the high speed train to Venice. On arrival in Venice you will stay for two nights at the **Hotel Monaco and Grand Canal**, again giving you time to get to know this most wonderful city.

After your stay you will transfer by private water taxi to the station to join the **Venice Simplon-Orient-Express**, the world's most famous and romantic train which, ever since the first trip from London to Istanbul in 1883, has captured the imagination of the world.

On this legendary train you will enjoy a private compartment equipped with upper and lower berths and washbasin, all in stunning 1920's décor. Your meals will be served in a style without parallel in one of the elegant restaurant cars as you travel through majestic scenery. Once you have crossed the Channel via the Euro Tunnel you will board the British Pullman for the journey to London Victoria Station.

**Bath Travel escorts will be with you all the way to help ensure your travel arrangements are completely carefree.**
